

CALL FOR ABSTRACTS

16TH Annual Lower Rio Grande Valley Water Quality Management & Planning Conference

Abstract submission deadline

March 7, 2014

(extended)

PEARL SOUTH PADRE RESORT
SOUTH PADRE ISLAND, TEXAS

Texas A & M University – Kingsville, the Lower Rio Grande Valley TPDES Stormwater Task Force, the Institute for Sustainable Energy and the Environment, and our partners are seeking papers for presentation at the LRGV Water Quality Management & Planning Conference 2014, which will take place at the Pearl South Padre Resort in South Padre Island, Texas April 9-11, 2014.

LRGV Water Quality Management & Planning Conference is the only event in Deep South Texas dedicated exclusively to stormwater, water quality and surface water professionals across the State including municipal stormwater and public works managers, engineering consultants, regulatory personnel, watershed management professionals, academia, and others concerned with stormwater, water reuse, recycling, groundwater and surface water quality.

This special Call for Abstracts targets water related topics from academia (faculty, graduate students), private sector stakeholders and environmental institutes. Presentations for this conference will be 20-30 minutes each, including a questions and answer period.

ADDITIONAL NOTES TO AUTHORS:

1. Authors will receive notification of acceptance of their abstracts by March 10, 2014. Abstracts submitted by February 21, 2014 will be given priority consideration.
2. Abstracts shall be one (1) page in length (300 words or less). Include bio.
3. Submit abstracts electronically to Monica Hernandez at kumah012@tamuk.edu by March 7, 2014, 5 pm. CST.
4. Contact Texas A & M University- Kingsville staff below for registration.
