Three trucks, two small tents, with one table. Traffic direction and cones site up at this location.

Traffic flow → traffic cones 1, 2, and 3 are vehicles. Boxes are paint drop off will have wood pallets

To pile one gallon paint cans and e-waste.

Please review and any input would be great. Two drop stations with each group of 3 pallets with 2 or 3 man crews.

Providing flyer of event for this Saturday. Location 1701 Industrial Way, San Benito, Tx.

**SATURDAY
JULY 28**

ROAD TO RECYCLING

Regional Tire Collection Project

**SATURDAY
JULY 28**

FREE TIRE COLLECTION EVENT

Drop off used tires at over 30 collection sites Valley-Wide!

(Refer to map on back for locations)

- 4 tires per person maximum *(no oversized or tractor tires)*
- Proof of residency required. *(driver's license & utility bill, etc.)*
- Must be resident of collection site location
- Most sites will be open 8a.m. to 12p.m. *(collection times may vary per location)*

Illegally dumped tires are a huge problem for the entire valley, impacting flood-prone areas, waterways and can serve as breeding grounds for rodents and mosquitoes that carry harmful disease.

"Road-to-Recycling" is brought to you through a regional collaboration of RGV cities, counties and the Lower Rio Grande Valley Development Council striving for a safer and cleaner environment!

For additional information, please visit www.lrgvdc.org or call (956) 682-3481.

Saturday, April 27, 2019
9:00 am to 1:00 pm

"Road to Recycling"

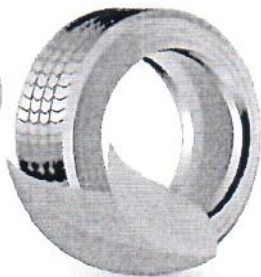

Rio Grande Valley Regional Tire Collection Project

Tire Event

Illegally dumped tires is a huge problem for the entire Lower Rio Grande Valley, but together we can all join the "Road to Recycling" and provide a safer and cleaner environment!

To help address this issue, the Counties of Cameron, Hidalgo and Willacy and many cities throughout our region have partnered together with the Lower Rio Grande Valley Development Council to bring you the "Road to Recycling" Regional Tire collection Project.
