At the direction of the Centers for Disease Control and Prevention and local health authorities, we must regretfully confirm the cancellation of our 22nd Annual Water Quality Management and Planning Conference due to the COVID-19 pandemic. While this decision comes at a time of universal uncertainty, we take the safety and health of our stakeholders, registrants, and community very seriously. We urge everyone to follow the guidelines and protocols put forth by public health officials.

Our 23rd Annual Water Quality Management and Planning Conference will take place May 17-21, 2021 at The Pearl Resort. For updates, please visit www.rgvstormwater.org. Registrants, speakers, sponsorships, high schools and exhibitors will be contacted immediately.

Thank you for your continued support and we look forward to seeing you in 2021. Please contact Deanna Levrier at dlevrier@ratesresearch.org or Javier Guerrero at jguerrero@ratesresearch.org for additional information.
